**PROJECT DESCRIPTION: Galati: EBRD - Galați Urban Infrastructure Rehabilitation Project**

The City of Galați, with a population of 250,000, is a significant commercial and industrial centre in southeast Romania, with the local economy related to steel processing (Mittal Steel Works), ship manufacturing (Damen Shipyards) and adjacent industries. Galați has about 345 kilometres of streets in total. The City has already completed the first phase of the urban infrastructure upgrade with a total amount of about EUR 14 million, co-financed from the European Regional Development Fund; however, there are still investments needs in the urban transport sector and related infrastructure.

The City has therefore approached the European Bank for Reconstruction and

Development (The Bank) with a request to provide funding for the modernization of urban roads and for an upgrade to related road and public transport management measures. The Bank is providing a RON 100 million (or EUR 22.6 m equivalent) to The City of Galati, to finance key investments in the urban transport sector and related

infrastructure (the "Project").

The main objective of this Invitation for Expressions of Interest is the Design Services for 2 lots:

1st Lot – The design and the development of the Technical Specifications for the investment objective: "Rehabilitation of Tecuci Street";

2nd Lot – The design and the development of the Technical Specifications for the investment objective: "Anghel Saligny Street";

The scope of this assignment is to carry out the design and technical specifications for the following investment objectives: "Rehabilitation of Tecuci Street", "Anghel Saligny Street".

It is expected that The Designer shall perform the following main tasks:

- Technical Project;
- Specifications;
- Documentation for Obtaining the Building Permit;

Bucharest, Dec, 22<sup>nd</sup>, 2014

- Technical Documentation for Works Execution Organisation;
- Documentation for Approvals;
- Instructions for Reliability;
- Health and Safety Plan;
- Overall project management support as required;
- Assist with approvals of designs and design certificates;
- Support The Client during the tendering procedure for Works;
- To provide quality of the design in compliance with the international best practices.

Status of Selection Process: Interested firms or group of firms are hereby invited to submit expressions of interest.

Assignment Start Date and Duration: The Assignment is expected to start in first quarter 2015 and has an estimated overall duration of 45 days
