Emergency Resilient Recovery Project for the Northern and Central Regions Project

Project ID.: P156559

Consultancy Services for the Detailed Design and Supervision of Emergency Works and the Detailed Design of Phase II of the Rehabilitation of the Mocuba Water Supply System

Reference No. (as per Procurement Plan)

The Republic of Mozambique has received a credit from the International Development Association (IDA) for implementation of the Emergency Resilient Recovery Project for the Northern and Central Regions Project, and it intends to apply part of the proceeds of this credit to payments under a Consultancy Services Contract related to the Rehabilitation of Drinking Water Supply in Mocuba.

The consulting services (“the Services”) include to: a) prepare the detailed design for the emergency repairs of the existing Mocuba water supply system (Detailed Design Phase I); b) prepare bidding documents for the public tender for the contractor to implement the emergency repairs; c) Supervise the implementation of the emergency repairs of the Mocuba water supply system and d) prepare the detailed design and bidding documents for the long-term upgrading of Mocuba water supply system (Detailed Design Phase II).

The Administração de Infra-estruturas de Água e Saneamento (AIAS) now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are: (a) General and specific experience in development detailed design and supervision of works and rehabilitation of the water supply system, and related activities; (b) Experience in working in developing countries.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank’s Guidelines: Selection and Employment of Consultants [under IBRD Loans and IDA Credits & Grants] by World Bank Borrowers January 2011 and revised July 2014 (“Consultant Guidelines”), setting forth the World Bank’s policy on conflict of interest.

Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

A Consultant will be selected in accordance with the Quality- and Cost-Based Selection method set out in World Bank Consultant Guidelines.

Further information can be obtained at the address below during office hours 08:00-15:00.

Expressions of interest must be delivered to the address below by July 21, 2016, from 8:00 am until 3:00 pm and should clearly indicate: “Expression of Interest for Consultancy Services for the Detailed Design and Supervision of Emergency Works and the Detailed Design of Phase II of the Rehabilitation of the Mocuba Water Supply System.”
